INTRODUCTION

The Kussmaul Dash Mount is a product made for our new dash-mountable switch accessories. Normally, a dashboard switch must be placed into a slot in the dashboard by making a cut-out for singular switches or using a gang mount which requires modifying the dashboard. This box will hold up to 5 Kussmaul Switch Accessories and can be mounted easily above the dashboard, underneath the dashboard, or from the vehicle roof making the Kussmaul Dash Mount an easy choice to add space for retrofittable vehicle accessories in your emergency or utility vehicle.

FEATURES

- Mounts to any dashboard in minutes
- Accepts five (5) Kussmaul Dash Mounted Accessories 1.4" x 0.8"
- Heyco PG9 Strain Relief on rear panel for wires
- 3 Year Warranty

# INSTALLATION

I. Switch Installation

1. Remove top four (4) screws from Cover and lift Cover.
2. Install accessories into Openings and dress wires through the feedthrough in rear panel.
3. Replace Cover and four (4) screws.
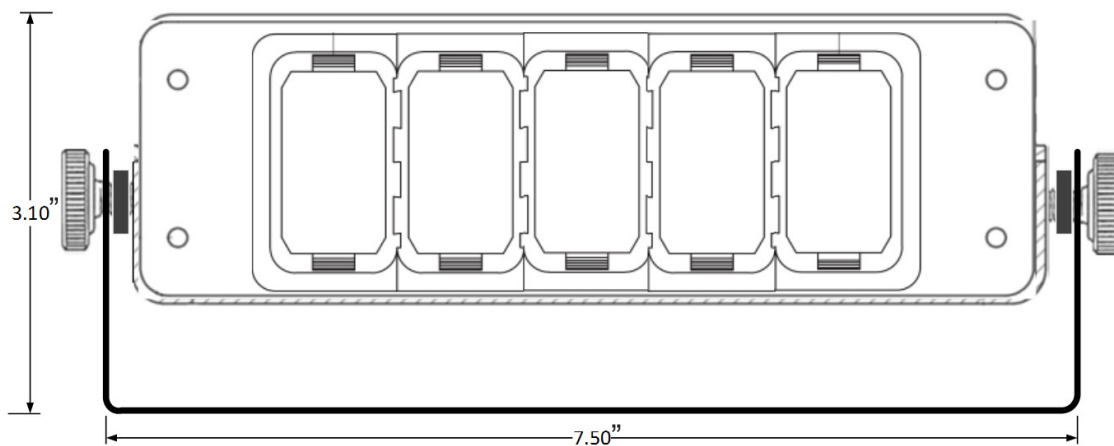

II. Mounting

The Kussmaul Dash Mount is designed to mount from the vehicle roof (bracket above), above the dashboard (bracket below) or below the dashboard (bracket above).

- Allow 9" x 5" of area for the Dash Mount Accessory.
- Locate the area for mounting the Dash Mount Accessory.
- Drill two (2) 0.201" holes 5" apart.
- Remove the 7 ¼ " Bracket from the housing by removing the two (2) thumb screws.
- Attached the bracket with 10-32 hardware (not included).
- Replace the housing onto the Bracket using the two (2) thumb screws.
- Adjust the viewing angle and tighten the Thumb Screws.

WARRANTY POLICY

All products of Kussmaul Electronics are warranted to be free of defects of material or workmanship. Liability is limited to repairing or replacing at our factory, without charge, any material or defects which become apparent in normal use within 3 years from the date the equipment was shipped. Defective products should be returned to Kussmaul Electronics with shipping charges prepaid. Upon repair, products will be returned to customer with shipping charges paid.

Kussmaul Electronics shall have no liability for damages of any kind to associated equipment arising from the installation and/or use of the Kussmaul Electronics products. The purchaser, by the acceptance of the equipment, assumes all liability for any damages which may result from its installation, use or misuse, by the purchaser, his or its employees or others.
